Access Code: 4174785

A live and archived webcast of the conference call will also be available at the Company's investor relations website at <https://ir.enmonster.com/>

### About Smart Share Global Limited

Smart Share Global Limited (Nasdaq: EM), or Energy Monster, is a consumer tech company with the mission to energize everyday life. The company is the largest provider of mobile device charging service in China with the number one market share. The company provides mobile device charging service through its power banks, which are placed in POIs such as entertainment venues, restaurants, shopping centers, hotels, transportation hubs and public spaces. Users may access the service by scanning the QR codes on Energy Monster's cabinets to release the power banks. As of December 31, 2021, the company had 5.7 million power banks in 845,000 POIs across more than 1,700 counties and county-level districts in China.
